Dear Ops:—

I have received two of your Badger News Book and have never thanked you fellows for them but I certainly do now and hope you take me in as one of you although I am at Chgo. I have met 9BWO - W.J. Ramsdale = and picked up his old motor generator and will soon be on the air with it. At present I am using 2AC On 80 M. Ht been qso with Ato also. Well to go back I am enclosing non-resident fee and hope to hear from in near future.
